I authorize Vienna Veterinary Clinic, ("VVC") staff to perform the above-mentioned medical procedure(s) and/or treatment on my pet-which may or may not include hospitalization, sedation, anesthetize, prescribing of medication, X- rays, and/or perform any treatment as they may deem necessary for my pet with relation to the above procedure(s). I understand and acknowledge that during the performance of the above-mentioned procedure(s), unforeseen conditions and circumstances might arise or might be revealed that necessitate (1) an extension of the above procedure(s) and/or (2) different procedure(s) being required in addition to the above-mentioned medical procedure(s). Therefore, having been advised of this possibility, I authorize the performance of such procedure(s) as are necessary in the exercise of the veterinarian's professional judgment.

I acknowledge and understand that the above stated procedure(s) bear(s) certain known and unknown risks or unanticipated risks, which could result in injury to my pet, including, the possibility of its death. I have been informed of the risks and the benefits associated with performing the above medical procedure(s) on my pet. Ex: allergic reactions from medications and/or complications presenting during (or after) surgery. I have been given the opportunity to ask any questions and discuss any concerns I have regarding such risks before any treatment or procedure is initiated. I acknowledge and understand that neither the veterinarian nor the staff of VVC, are able to provide me with a guaranteed outcome for the veterinary medical treatments to be performed on my pet. I understand and acknowledge that I can terminate treatment of my pet, at any time prior to the procedure, by verbally contacting the veterinarian.

I authorize and consent for treatment to be provided for my pet for fleas and/or ticks in the event that my pet arrives with a visible infestation, so as to best protect my pet from parasites and their associated diseases, and to prevent VVC from becoming a source of parasites for others. I agree to assume responsibility for providing payment of all fees related to the flea andges as herein described.

I recognize that VVC does not bill insurance. It is my responsibility to pay VVC directly and in full and seek reimbursement for services with my insurance provider.

I agree to pick up my pet at **4:30pm today** unless other prior arrangements have been made. I understand that failure to retrieve my pet may be considered "abandonment." If my pet is considered abandoned, I understand and agree that my obligation to provide full and complete payment of all medical care, boarding, and related fees regardless of the outcome of the medical procedure(s).

I understand and agree that full payment of my invoice for services performed is due before my pet can be released back into my care. This may include any related flea or tick treatment medications administered; additional charges for unforeseen things that can sometimes arise while my pet is under anesthesia. (Ex:an enlarged uterus due to being in heat; an enlarged prostate, excessive bleeding, etc.)

I acknowledge that there are many factors that play a role in determining the outcome of veterinary care and treatment. These associated factors include, but are not limited to, my pet's age, breed, genetics, ability to heal, stage of the illness/disease, and my ability to follow pre-surgical instructions and provide the recommended at-home care for my pet. I expressly agree to release Palmer Veterinary Services dba Vienna Veterinary Clinic, (VVC) its agents and its representatives, from liability for any/all damages to my pet and to hold VVC, its agents and its representatives harmless from any and all liability (except in the case of gross negligence) associated with the above-mentioned medical/surgical procedures being performed on my pet. I understand and have been advised that it is my responsibility to be compliant in following the directions given to me regarding the post-surgical process with my pet. Failing to follow the instructions given may result in complications, including financial, and I assume full responsibility.

**In case of emergency, I understand that VVC will make every attempt to contact me by phone. However, depending upon the circumstances, in the event that they are unable to contact me prior to rendering emergency treatment on my pet, the following decisions have been made by me regarding the rendering of emergency and/or resuscitative care and treatment to my pet:

Choose only ONE: **YES** - Please resuscitate my pet OR **NO** - Please do **NOT** resuscitate my pet.

Upon my signature below, I certify that: (1) I have read all of the above statements; (2) I understand and agree with the above statements by initialing beside each statement; (3) I have been informed of the potential risks and benefits related to these medical procedures and treatment; (4) **prior to signing this form**, I have had all my questions answered and concerns addressed by the staff or veterinarian, to my satisfaction; and (5) I consent to the procedure(s) being performed on my pet.
